OVERVIEW

WQRI Joint Venture is a powerful and wide-reaching partnership of resources between two well-established woman-owned small businesses with over 50 years of combined experience in federal contracting performance. Our team specializes in facilities operation, maintenance, and repairs as well as environmental consulting, geophysical assessments, environmental remediation, emergency response, and construction services. We excel at providing these services to government and commercial clients with professional, on-time, and cost-effective results. WQRI promotes a culture of teamwork with INTEGRITY in performance as our standard.
